

## STATE ROUTE 18 BRIDGE AT COUNTY LINE IN LLANO

# CLOSED

### THE PROJECT

Caltrans is closing SR-18 at the County Line Overhead Bridge in Llano to replace the bridge deck including joint seals and bridge railings. Construction will be performed daily Monday through Friday 7 a.m. to 3 p.m. Detours will be posted.

### BACKGROUND

SR-138 at SR-18 County Line Overhead Bridge is a major thoroughfare, serving commuters between Los Angeles and San Bernardino counties. Built in 1967 and widened in 1997, the average daily use grew to approximately 5,400 cars in an area where the population is right at 2,200. The road has experienced extensive wear and is being rehabilitated in both directions.

### BENEFITS

This pavement rehabilitation project will preserve and extend the life of the existing overhead bridge, improve the ride quality, enhance safety and minimize the need for further lane closures.

### SCHEDULE

Construction begins: Late Summer 2015.

Estimated completion: Summer 2016.

### COST

Cost is estimated at \$3.1 million. MCM Construction of Bloomington, California is the contractor.

**Local businesses will remain open throughout the duration of construction.**
